Chapter 11
Case No. 15-12690 (MG)
Jointly Administered

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY, AND DISCLAIMER REGARDING
DEBTORS' SCHEDULES AND STATEMENTS**

The *Schedules of Assets and Liabilities* and *Statements of Financial Affairs* (the “**Schedules**” and “**Statements**,” respectively) filed by the above-referenced debtors and debtors in possession (each a “**Debtor**” and, collectively, the “**Debtors**”), in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”), were prepared by the Debtors’ management, with the assistance of the Debtors’ personnel, pursuant to section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”), Federal Rule of Bankruptcy Procedure (the “**Bankruptcy Rules**”) 1007, and Rule 1007-1 of the Local Bankruptcy Rules for the Southern District of New York (the “**Local Bankruptcy Rules**”), and are unaudited. The Schedules and Statements remain subject to further review and verification by each of the Debtors. Subsequent information may result in material changes in financial and other data contained in each of their Schedules and Statements. The Debtors reserve their right to amend each of their Schedules and Statements from time to time as may be necessary or appropriate. These *Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors’ Schedules and Statements* (the “**Global Notes**”) are incorporated by reference in, and comprise an integral part of, each of the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements.

1. **Case.** On September 30, 2015 (the “**Petition Date**”), each of the Debtors filed with this Court a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Unless otherwise indicated, the information provided is as of the close of business on the Petition Date.

2. **Joint Administration.** Pursuant to an order entered October 5, 2015 [Docket No. 36], the Debtors’ respective chapter 11 cases are jointly administered under the case name and caption set forth above. Notwithstanding the joint administration of the Debtors’ cases, each Debtor has filed its own Schedules and Statements.

¹ The Debtors in these Chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Advance Watch Company, Ltd. (8061); Binda USA Holdings, Inc. (8916); Sunburst Products, Inc. (5972), and GWG International, Ltd. (2468).

3. **Amendments.** The Debtors each reserve the right to amend the Schedules and Statements in all respects at any time as may be necessary or appropriate, including without limitation, (a) to assert offsets or defenses to any claim, (b) to amend the amount, liability, or classification of any claim, or (c) to otherwise designate any claim as contingent, unliquidated or disputed. Any failure to designate a claim as contingent, unliquidated, or disputed does not constitute an admission by any Debtor that such claim is not contingent, unliquidated, or disputed.

4. **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make estimates and assumptions with respect to the reported amounts of assets and liabilities, the value of contingent assets and liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.

5. **Prepetition v. Postpetition.** The Debtors have allocated liabilities between the prepetition and postpetition periods based upon information from research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the identification of liabilities as prepetition or postpetition may change.

6. **GAAP.** Given the difference between the financial information requested in the Schedules and Statements and used under generally accepted accounting principles in the United States (“GAAP”), the aggregate asset values and claim amounts set forth in the Schedules and Statements may not reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.

7. **Causes of Action.** The Debtors reserve all of their causes of action. Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of any claim or cause of action that may be asserted, including equitable subordination, causes of action arising under chapter 5 of the Bankruptcy Code, and any other causes of action arising in these chapter 11 cases or under applicable non-bankruptcy law.

8. **Insiders.** Where the Schedules or Statements require information concerning officers, directors or insiders, included therein are each of the Debtor’s (a) directors (or persons in similar positions) and (b) employees that are, or were during the relevant period, officers (or persons in control). The listing of a party as an insider is not intended to be nor should it be construed as a legal characterization of such party as an insider, nor should it be construed as an admission that such party is an insider, all such rights, claims, and defenses being expressly reserved.

9. **First-Day Relief.** Certain claims have been excluded from the Schedules and Statements by virtue of the fact the Debtors are performing their obligations as required by law and in accordance with the “first day” orders granting authority to the Debtors to pay such obligations in the ordinary course.

10. **Categories or Labels Use in Schedules and Statements.** Information requested by the Schedules and Statements requires the Debtors to make judgments regarding the

appropriate category in which information should be presented or how certain parties, claims or other data should be labeled. The Debtors' decisions regarding the category or label to use is based on the best information available as of the filing of these Schedules and Statements and within the time constraints imposed. The Debtors reserve the right to modify, change, or delete any information in the Schedules and Statements by amendment, including to the extent some information currently presented should be moved to a different category or labeled in a different way.

11. **Summary of Significant Reporting Policies and Practices.** The following conventions were adopted by the Debtors in preparing the Schedules and Statements:

- a. **Fair Market Value; Book Value.** For the preparation of these Schedules and Statements, it would be prohibitively expensive, unduly burdensome, and time-consuming to obtain current market valuations of all of the Debtors' property interests on a debtor-by-debtor basis. Accordingly, each asset and liability of each Debtor is shown on the basis of the net book value of the asset or liability in accordance with the Debtors' accounting or tax books and records as of the Petition Date or, in the case of reasonable doubt regarding the book value, the Debtors indicated the value was "unknown". In the case of inventory and accounts receivable, the amounts were shown on the basis of the gross book value. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value. Unless otherwise noted, the Schedules reflect the net book value of the liabilities as listed in the Debtors' books and records, and are not based upon any estimate of their current market values, which may not correspond to book value. For this reason, amounts ultimately realized may vary from net book value and such variances may be material. Unless otherwise indicated, all amounts are listed as of the Petition Date.
- b. **Leased Real and Personal Property.** In the ordinary course of their businesses, the Debtors lease real and personal property, including furniture, fixtures and equipment, from certain third-party lessors. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to legal status of any lease (*e.g.*, as a true lease or financing arrangement), and the Debtors reserve all rights with respect to such issues.
- c. **Claims.** The Schedules and Statements generally identify parties holding claims existing as of the Petition Date. The Bankruptcy Court, however, has authorized the Debtors to continue certain prepetition practices and make payments in respect of certain prepetition claims. Accordingly, certain of the claims identified in the Schedules and Statements may already have been paid.
- d. **Disputed, Contingent and Unliquidated Claims.** The Debtors may designate certain claims on Schedules D, E and F as disputed, contingent and/or unliquidated, as applicable. Any failure to designate a claim on the Schedules and Statements as disputed, contingent, and/or unliquidated does not constitute an admission that such claim is undisputed, noncontingent and/or liquidated, as

applicable. The Debtors reserve the right to dispute, or assert offsets or defenses to, any claim reflected on the Schedules and Statements as to amount, liability, or status.

12. **Summary of Significant “Statement” Conventions.** The following conventions were adopted by the Debtors in preparation of the Statements:

- a. **Statement 1; 2014 Interim Reporting.** In July 2014, the Debtors and their non-debtor foreign affiliates, Advance Watch Company (Far East) Limited, Zhongshan Advance Electronics Company Limited, and Advance Far East Trading (Shenzhen) Company Ltd. (collectively, the “**Far East Companies**”), implemented an upgraded, global enterprise resource planning (“**ERP**”) system to track business resources and data, such as cash, payables and receivables and inventory, and the status of business commitments, such as purchase orders. At approximately the same time, the Debtors and the Far East Companies switched from an average weighted cost accounting methodology to a standard cost accounting methodology. In November 2014, the Debtors conducted an internal financial audit, with particular focus on the Far East Companies. The Debtors’ audit identified certain internal recordkeeping errors, whereby freight and duty cost components and the Far East Companies’ external buying costs and extraordinary costs (primarily severance) were not properly accounted for on the balance sheet after implementation of the ERP. As a result, the Debtors’ interim profitability was overstated in their accounting system by approximately \$7 million—the amount actually paid, but not properly accounted for, with respect to the aforementioned costs. The recordkeeping error was corrected promptly after the audit findings were made and the Debtors immediately restated their interim financials for 2014. Internal oversight mechanisms were also implemented to avoid similar accounting discrepancies in the future.
- b. **Statement 3b.** In the list of payments under question 3b the Debtors have not included payments for wages, compensation, or expenses made to employees in the ordinary course of business. The Debtors have paid employees pursuant to a motion approved by the Court for all pre-petition wages, compensation or expenses owed and thus believe they are not creditors. To the extent an employee is a creditor they may be entitled to priority treatment.

13. **Summary of Significant “Schedules” Conventions.** The following conventions were adopted by the Debtors in preparation of the Schedules:

- a. **Schedule B2.** The Debtors maintain a consolidated cash management system, whereby all accounts are held and maintained by Advance Watch Company, Ltd. in the ordinary course of business.
- b. **Schedule D.** Except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule

D of any Debtor. Moreover, except as otherwise agreed pursuant to a stipulation or order entered by the Bankruptcy Court, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim. In certain instances, a Debtor may be a co-obligor or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. The descriptions provided in Schedule D are intended only to be a summary, and reference should be made to the applicable loan agreements and related documents for a complete description of any collateral and corresponding liens or security interests. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

The Debtors have not included on Schedule D any creditor who may assert an interest in property of the estate by way of setoff rights, deposits posted by or on behalf of a Debtor, or inchoate statutory lien rights. Any such creditors may, however, be listed on Schedule F.

- c. **Schedule E.** As part of the "first day" orders, the Debtors were authorized to pay all outstanding, prepetition amounts owing with respect to employee wages and benefits, none of which payments were above the statutory priority cap. Although certain priority amounts may have been outstanding as of the Petition Date, the Debtors have checked "none" with respect to outstanding priority amounts payable with respect to salaries, wages, and commissions to reflect such payments.

In addition, as part of the "first day" orders, the Debtors were authorized to pay all outstanding, prepetition amounts owing with respect to taxes, customs duties, and penalties owing to federal, state, and local governmental units. Although certain priority amounts may have been outstanding as of the Petition Date, the Debtors have checked "none" with respect to such taxes, customs duties, and penalties to reflect such payments.

Detail regarding amounts paid will be provided to the Office of the U.S. Trustee upon request. The listing of any claim on Schedule E does not constitute an admission by the Debtors that such claim is entitled to priority treatment under 11 U.S.C. § 507. Such claims remain subject to further review and verification.

- d. **Schedule G.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. Listing a contract or lease on Schedule G does not constitute an admission that such contract or lease is an executory contract or unexpired lease or that such contract or lease was in effect on the Petition Date or is valid or enforceable. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved. In addition,

the Debtors may have entered into various other types of agreements in the ordinary course of business, such as supplemental agreements, amendments/letter agreements, and confidentiality agreements. Such documents may not be set forth in Schedule G. The Debtors reserve all of the Debtors' rights to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's claim. Omission of a contract or lease from Schedule G does not constitute an admission that such omitted contract or lease is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or leases are not impaired by the omission.

14. **General Disclaimer.** While those members of management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors may exist or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that the Schedules and Statements are complete or accurate.

SCHEDULE E - CREDITORS HOLDING UNSECURED PRIORITY CLAIMS

A complete list of claims entitled to priority, listed separately by type of priority, is to be set forth on the sheets provided. Only holders of unsecured claims entitled to priority should be listed in this schedule. In the boxes provided on the attached sheets, state the name, mailing address, including zip code, and last four digits of the account number, if any, of all entities holding priority claims against the debtor or the property of the debtor, as of the date of the filing of the petition. Use a separate continuation sheet for each type of priority and label each with the type of priority.

The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. § 112 and Fed. R. Bankr. P. 1007(m).

If any entity other than a spouse in a joint case may be jointly liable on a claim, place an "X" in the column labeled "Codebtor," include the entity on the appropriate schedule of creditors, and complete Schedule H-Codebtors. If a joint petition is filed, state whether the husband, wife, both of them, or the marital community may be liable on each claim by placing an "H," "W," "J," or "C" in the column labeled "Husband, Wife, Joint, or Community." If the claim is contingent, place an "X" in the column labeled "Contingent." If the claim is unliquidated, place an "X" in the column labeled "Unliquidated." If the claim is disputed, place an "X" in the column labeled "Disputed." (You may need to place an "X" in more than one of these three columns.)

Report the total of claims listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all claims listed on this Schedule E in the box labeled "Total" on the last sheet of the completed schedule. Report this total also on the Summary of Schedules.

Report the total of amounts entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

Report the total of amounts not entitled to priority listed on each sheet in the box labeled "Subtotals" on each sheet. Report the total of all amounts not entitled to priority listed on this Schedule E in the box labeled "Totals" on the last sheet of the completed schedule. Individual debtors with primarily consumer debts report this total also on the Statistical Summary of Certain Liabilities and Related Data.

☒ Check this box if debtor has no creditors holding unsecured priority claims to report on this Schedule E.

SCHEDULE F - CREDITORS HOLDING UNSECURED NONPRIORITY CLAIMS

State the name, mailing address, including zip code, and last four digits of any account number, of all entities holding unsecured claims without priority against the debtor or the property of the debtor, as of the date of filing of the petition. The complete account number of any account the debtor has with the creditor is useful to the trustee and the creditor and may be provided if the debtor chooses to do so. If a minor child is a creditor, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian."
